FOR 1954

A MARIAN YEAR

Pope Pius IX, on December 8th 1854, infallibly proclaimed to the world the Catholic Doctrine that the Mother of God "In the first instant of Her Conception was, by a singular grace and privilege of Almighty God, in view of the merits of Jesus Christ, the Savior of the human race, preserved exempt from all stain of Original Sin."

Although for hundreds of years previous to this proclamation, Catholics believed that Mary was immaculately conceived, there was never an official definition of the belief as a dogma of faith until that time. Now almost one century has elapsed since the occurrence of the solemn event. So in preparation for, and in commemoration of its centenary, His Holiness Pope Pius XII has petitioned all Catholics throughout the world to join in observing a Marian Year.

During this period, which extends from December 8, 1953 to the same date in 1954, Catholics are urged to seek the Blessed Virgin's intercession for the many needs of man. Expressing the hope that centennial Marian celebrations will serve to stimulate sincere devotion to the Mother of God in the souls of all Catholics and encourage them to confirm their lives in her image, our Holy Father urged devotion of every sort, both public and private, individual and collective.

To honor the Immaculate Conception in a specially intense manner throughout this Marian Year, the Pope suggested intentions for which prayers, sacrifices and other penances be offered. These intentions included the spiritual and moral welfare of the youth of the world, and the freedom of the Church "to exercise her rights and to pursue her mission." The Supreme Pontiff in declaring a Marian Year trusted that the celebrations would "bring forth most desired and salutary fruits which all of us long for."

Mary, under the title of the Immaculate Conception, is the patroness of Catholics in the United States, while students at Aquinas have crowned her their Queen. Among the many organizations and activities within the school are the Sodality and the Perpetual Rosary Society. With their motto, "Ad Jesum Per Mariam," the purposes for the Marian Year are truly exemplified.

May the graces and blessings which will come from Our Divine Lord through Mary as a result of the Marian Year, flow abundantly upon us her Children of Aquinas.

FOREWORD

THE MOST REVEREND LAWRENCE B. CASEY

DEDICATION

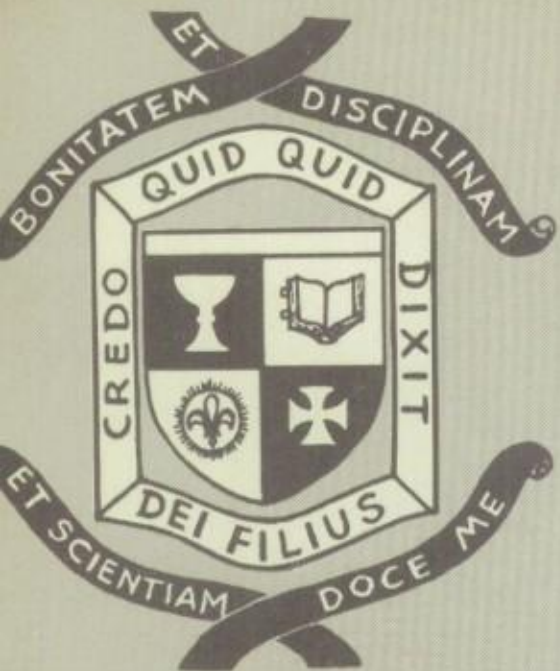

Joy came to the hearts of Catholics this past spring when Monsignor Lawrence B. Casey was consecrated Auxiliary Bishop to His Excellency James E. Kearney. The motto of St. Lawrence, inscribed on Bishop Casey's coat of arms, portrays accurately the character of our new Bishop—"God alone do I serve."

Born in 1905, Lawrence Casey heard the voice of God beckon him early in life, and on June 7, 1930, he was ordained a priest by the late Bishop O'Hern, whom he later assisted as secretary. Serving in the same capacity to two other Rochester Bishops, Father Casey proved his faithfulness and efficiency as an administrator. In 1947, he was elevated to the rank of Domestic Prelate with the title Right Reverend Monsignor, and five years later was named rector of Sacred Heart Cathedral. The following year, His Holiness Pope Pius XII appointed Monsignor Casey Titular Bishop of Cea and Auxiliary to the Bishop of Rochester.

As a Bishop, he proved to be a sympathetic shepherd and outstanding leader, a fearless defender, and a devoted father. His loyal service to God throughout his life is surpassed only by his love for Him.

And so to you, Bishop Casey, we, the Senior Class of 1954, respectfully dedicate our yearbook.

The Holy Sacrifice of the Mass is said every First Friday for all the students in the auditorium.

Shrines to the Blessed Virgin are erected in all the homerooms. This one is found in Sr. Succursu's 307.

The football team hears Mass and receives Holy Communion before each game.

During the Marian Year, many home-rooms say the beads in honor of the Blessed Virgin Mary, as we see here in 321 with Fr. Sheahan.

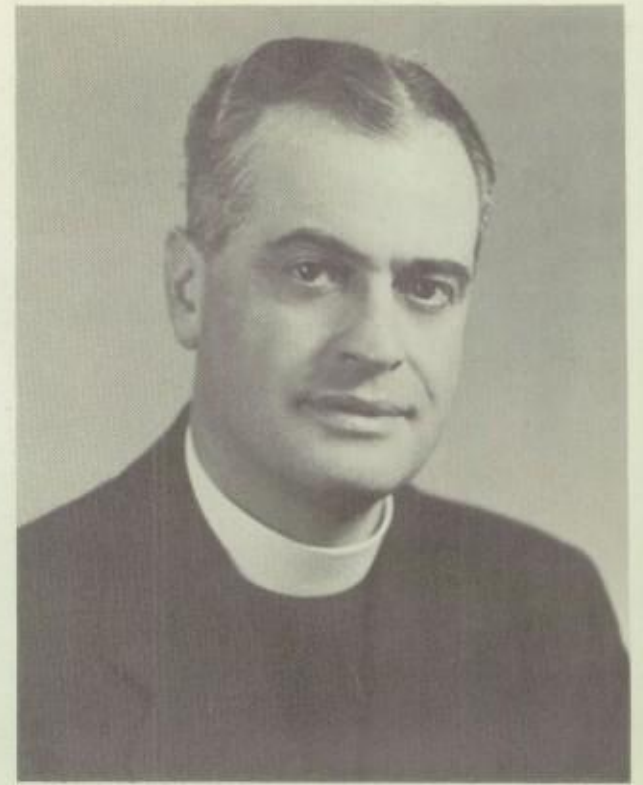

Religious articles are sold by a sodality group during the Lunch hour. Here we find Al Rivellino with the display at a Mothers' Club meeting.

Each September our Bishop opens the school year with the Holy Sacrifice of the Mass and an Instruction.

TRUMPETS

An outstanding organization at Aquinas is the Music Department. The uniformed band, Glee Club, Liturgical Choir, and the Maroon and White Swingsters, under the baton of Mr. Raymond J. Hasenauer, have kept their Alma Mater on top in the field of music.

The band, which performed at all the football games and concerts, delighted everyone who heard this excellent group. From crisp Sousa marches to flowing concert and dance waltzes, the band and swingsters throughout the year during assemblies, rallies, and concerts have upheld the proud name of Aquinas. Not to be overlooked are the noteworthy performances of the Glee Club and Liturgical Choir at the Christmas play and Spring Concert.

To maintain a music department of this caliber is not an easy task. The unselfish person who has sacrificed a great deal of time to prepare the musical scores and football shows is the Director of Music, Mr. Raymond J. Hasenauer. For over twenty years, he has faithfully labored to develop outstanding bands and glee clubs, many times with relatively little talent. Mr. Hasenauer and his "music-men" are truly symbolic of the great Aquinas Spirit.

STUDENT COUNCIL OFFICERS

THE STUDENT COUNCIL 1953-1954

Once again, this year's council attempted to live up to the high standards set by previous Aquinas student governments. In this they were successful. Furthermore, they enlarged on this by setting certain goals for themselves towards which they could work.

Under council guidance several additions were made. A driver training course was introduced into the curriculum, and a Varsity Club into the already long list of extracurricular activities available to Aquinas Students. In 1953, the Magazine Drive, under Student Council sponsorship was the most successful in Aquinas history. The Victory Dance held on Thanksgiving night was a tremendous success both financially and from the viewpoint of popularity. Another annual St. Patrick's Dance is planned as well as a "Sock-Hop". Because of the success of activities supported by the council, it was once again possible for them to meet the needs and demands of clubs and organizations throughout the school. Some such monetary aid was given to the Maroon and White staff, the Debating Society, and to the Basketball team in the form of new warm-up jackets.

Hence, it may be said that from all aspects, it was a successful year for the Aquinas Student Government!

TERRY SHEEHAN

On October 30, 1953 the hustle and bustle of Aquinas school life stopped momentarily to honor a lost son, for Terry Sheehan, Aquinas honor Student, had died. Terry was the Catholic ideal, which Aquinas helps build within her students.

The life Terry Sheehan led was a tribute to his parents, church, and school, but his courage at the consummation of that life was even a greater tribute to him. Afflicted with an incurable disease, Terry spent many agonizing months of pain. Yet the record he achieved here at Aquinas

will not end, nor be forgotten. His work on the Aquinas Debating Team, his efforts in the Magazine Drives and his life as a soldier of Christ have left an indelible record to be admired and remembered long after the last one of us has left Aquinas.

Terry Sheehan was a friend to all those who knew him, but in a larger sense he was a friend to everyone, for living he was a tribute to Aquinas, while dead he remains a still greater tribute to all that Aquinas is and stands for.

Communion Breakfast — 1953.*

The Mothers' Club has accomplished more this year than at any time since it was founded. Besides the regular meeting on the second Tuesday of each month, the club has participated in many other activities.

The opening football game was sponsored by the Mothers in the month of September — they took care of the clerical work in the Magazine Drive — A card party at St. Stanislaus was their November undertaking — the Christmas party was a huge success. Many of them took time off from their duties to attend a day of recollection, preached by their moderator, Fr. Fullerton, in the early part of January.

Throughout the rest of the year, there took place a rummage sale, the annual Fashion Show, and the annual Mothers and Sons Communion Breakfast. Faculty and students wish to thank this grand organization for their help in making this school year a success.

Men serving the Sauer Kraut Supper—John Palvino, John Croston, Anthony Ciravola, Charles Hack, Joseph Connelly, John Degus, Frank Biondi, Thomas Reddy.

The Aquinas Men's Club has steadily increased in prominence and popularity in the past few years. The enthusiasm of the club members is readily seen in a review of some of its activities. Memorable events such as the Sauerkraut Supper, the Football Rally before the Thanksgiving Day Game, the Talent Night, the Player of the Week Award presented after each football game,—All these attest to the willing cooperation of the men.

Outstanding among the year's happenings was the 2nd Annual Awards Night at which students were honored for their athletic and scholastic abilities.

The excellent performance of the Men's Club can be attributed to its Moderator, Fr. Sheahan and President, Tom Lynch. To them, to the other officers, and to all the members, the students are most appreciative.

ARETE for 1954

LITERARY STAFF

Standing: Carl Lenzo, Kevin Maloy, James Rieflin, Don Gray. Seated: Gus Owens, Don Corbett, Charles Vacanti.

Few memories are as lasting as those of one's high school days. A school annual helps to give a degree of permanence to these days because it reviews for us those joyful years of our youth. The 1954 Arete, through pictures and articles, presents an accurate account of the past academic year, thereby fulfilling its aim and insuring its readers with a volume of memories in years to come.

Directed by Fr. Lococo, the editors and their staffs, hope that they have edited a yearbook which will be a truly realistic review of the events of the past year, and a credit to the school.

MAROON AND WHITE

EDITORS

Strnding: Don Corbett, Gus Owens, Joe DiFabio, Charles Vacanti. **Seated:** Gary Martins, Fr. Abend, Dan Brown.

To record the events that take place in school life and to inform the students of them, Aquinas publishes, monthly, a newspaper, the Maroon and White, which has become an outstanding feature at the school. The Maroon and White contains news, sports, features, and also interesting editorials and articles of humor.

Besides informing the students, the newspaper helps to train its staff in journalism and photography. This year the members received more experience in so far as they were able to attend a convention in New York City. We feel that the Maroon and White under the direction of Fr. Abend and the efforts of the many staffs has proven beneficial to Aquinas students, and is worthy of praise.

SODALITY

The Sodality of Our Lady was inaugurated at Aquinas in May of 1947 by Bishop Kearney under the title of "The Sodality of The Immaculate Heart of the Blessed Virgin Mary". Its main object is to develop a wholesome religious attitude in its members through the threefold purpose of self-sanctification, sanctification of others, and defense of the Church. The Sodality consists of Freshman Candidates, Advanced Candidates and Sodalists.

Many projects, spiritual and corporal works of mercy, such as the sale of religious articles, the Perpetual Rosary, and a Canned Foods Drive to aid needy families, were successfully undertaken by the members during the past year.

The Sodalist dedicates himself to Mary, his Queen and Mother, and tries, with her aid, to be and to live as a good Catholic.

CHRISTMAS CARD COMMITTEE

Seated: Bill Stephan, Dave Doyle, Pete Tarrant. **Standing:** Fr. Looby, Jim Mooney, Tim Howland, John Ritz, John Samuelson, Arthur Madagan.

Mission activity during the year 1953-54 was indicative of the traditional spirit at Aquinas. Not only was enthusiasm displayed financially but also in the work of the Stamp Committee, the African Committee, the Medical Committee and last and most important the Crusade of Prayer.

Financially, the amount will surpass last year's \$24,000, which is being raised not only by personal contributions in each homeroom, but by the Christmas Card Sale and the Mission Bouts. Aid continues to be sent to both foreign and home missions.

Already, boxes of medical supplies have been transmitted to needy missionary hospitals. Fr. Biondi's Stamp Committee has gathered thousands of stamps, which will be sent to Father Collins, the Director of the Mexican Missions.

The African Committee continues to keep active the growing correspondence between the students of our country and those in Africa.

The Aquinader published monthly informs the students of homeroom standings, and contains mission news within the school and from fields afar.

Very important among the activities, is the program of Study. Each month copies of the Oblate World, the Shield, The Mission Memo from Mexico, and Maryknoll are placed in every homeroom, and all students are urged to read them.

Most important of all is the program of prayer. Besides private and classroom prayer, each homeroom is scheduled to attend the eight o'clock Mass in our chapel each morning.

AFRICAN COMMITTEE

Last year's highlight was Bishop Sheen's visit for the final Mission Assembly. The zeal and generosity of this mission-minded Prelate inspired the students to even greater heights of self-denial.

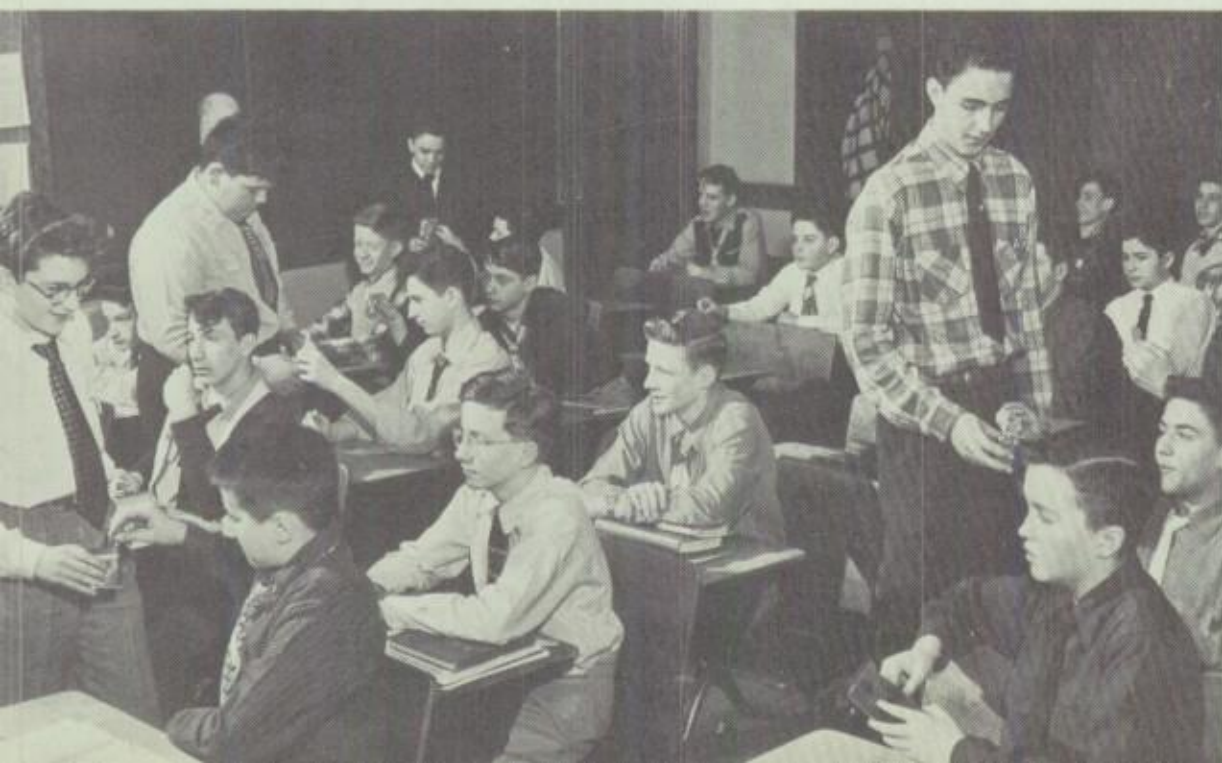

May our Divine Lord reward the students a hundred fold for faithfully keeping the Mission motto of "Prayer, Sacrifice and Study".

DEBATING SOCIETY

The Debating Society has proved to be one of the most beneficial organizations at Aquinas. Its members are trained to speak in public and thereby develop poise and self-confidence. This is accomplished through the medium of artful debating and various other oratorical activities.

Highlighting this year's schedule was the attainment of first place honors at a New York State invitational tournament held at Cortland State Teachers College. The members also participated in national tournaments at New York and Cleveland. Other debates included home and home series with St. Michael's of Toronto, Bradford, C.B.A. of Syracuse, Jamestown, and Mt. Mercy of Buffalo.

DRAMATICS

No set of spotlight activities is ever complete without a fine dramatics organization. In this respect, Aquinas is represented by an outstanding group, the Spotlight Club.

This year the Spotlight Club had a very successful year presenting three plays. To open the year, our dramatics group presented the hilarious comedy, "Mr. Barry's Etchings" starring Dave Bertsch as Mr. Barry. Next on the program was another great comedy, "Mr. Icebox." The President of the Club, Ed Wollensak very aptly handled the lead. The spring play was the musical "Finian's Rainbow." Other outstanding actors were Jerry, Danny O'Mara and Jerry Gariff. Congratulations to Fr. Cullen and his fine group.

FOOTBALL

Looking at the year's record, we may get the impression that it was a rather mediocre season, because we find that the score board reads 3 wins, 3 losses and a tie. It is our opinion that we had a good, well-coached High School team. An examination of the caliber of the opposition, and the spirited showing of our boys, should convince everyone that it was a team of which we can be very proud.

The first game was against powerful Cathedral Prep from Erie, Pa. Playing inspired football against a team favored to win, Aquinas had to settle for a 13 to 13 tie. Every player, led by Dave Kelly, who received the "player of the week award," refused to give up till the last whistle had blown.

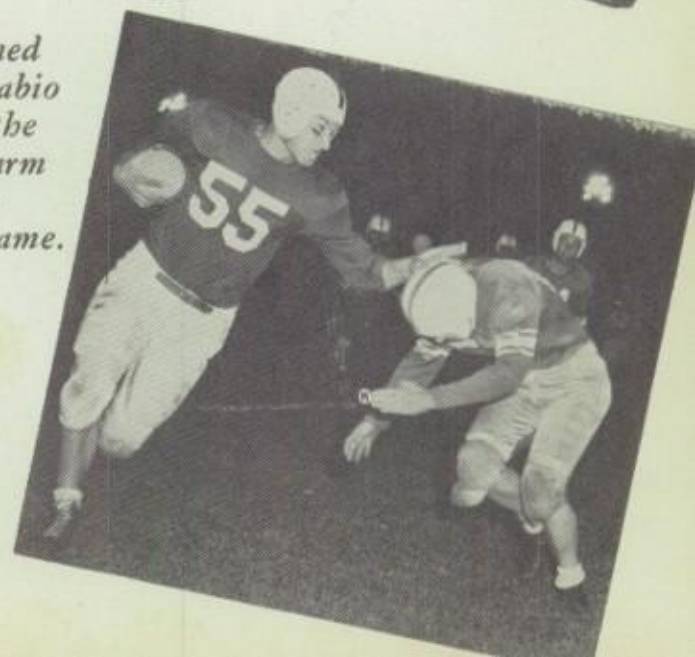

Oswego did not stand a chance against an Angelone drive.

The third and fourth games with Oswego High and Archbishop Stepinac of White Plains, were easily won by the convincing scores of 31 to 12, and 20 to 0.

It was no disgrace for Aquinas to lose to Catholic Central of Detroit, for we believe that C.C. would have been a match for many college elevens. Big and strong, united with superb tackling and blocking (see cut), they took advantage of every break that came their way.

The second defeat came at the hands of Allentown, where our boys met another powerful squad. It is well to remember that we held them to a 13-7 score at the beginning of the fourth quarter, but in that game we lost McKenna, Angelone, and Stifter, which weakened us considerably.

BASKETBALL

Under the capable coaching of Mr. Louis Basile, the greatest basketball team in the history of Aquinas posted the first undefeated season.

Rolling over 18 straight opponents the "Little Irish" set new records each week. A mixture of superb team play and magnificent coaching enabled the "Irish" to average 71.6 points a game to our opponents 43.8, while establishing a 27 game winning streak.

Many fans were left in awe and amazement at the extraordinary playing of Greg Britz, the team's high scorer and Fred Wagner, Mike Spang, Dan O'Brien and Jerry Kotwas who baffled their opponents by their skill at shooting.

Highlight of the season was the excursion to Geneva to which more than 400 students journeyed.

Coupled with an undefeated Reserve team coached by Mr. Jablonski and a highly successful freshman squad, Aquinas can eagerly look forward to winning teams in future years.

COOPER MARINES

Faced with a group of mostly inexperienced ballplayers, Fr. Biondi, nevertheless, pulled the team through with a successful season. With an overall record of 12 wins, 9 losses, and 2 ties, Fr. Biondi's first attempt at coaching baseball was a happy achievement.

Winding up in third place in its division, the "53" Cooper Marines did as well as could be expected. The only holdovers from the previous year were, Ron Mack, and Joe DeVecchio; the rest were all newcomers to the squad, and in most instances, comparatively new to the game.

Superb performances were turned in by the pitching might of Paul Curran and Ron Mack, along with their battery mate, Jerry Kotwas.

Power at the plate was centered around Bill Bianchi, Paul Curran, and Ron Mack. This was not enough, however, when the Cooper Marines faced the powerful Flower City team, which twice defeated them.

It was this same, inexperienced team which traveled to Fairport, champs in their own division, and defeated them on their home field 4 to 3 in a desperate late-inning surge.

With this same competitive spirit, Knuth, Reddy, Kotwas, Nelson, Palvino, Burke, Marks, and Kohlmeier, will attempt to make next season a greater success.

The Bunny Hop

Fr. Looby, introduced by Lou Tasciotti at the opening assembly, reviews past Magazine Drives.

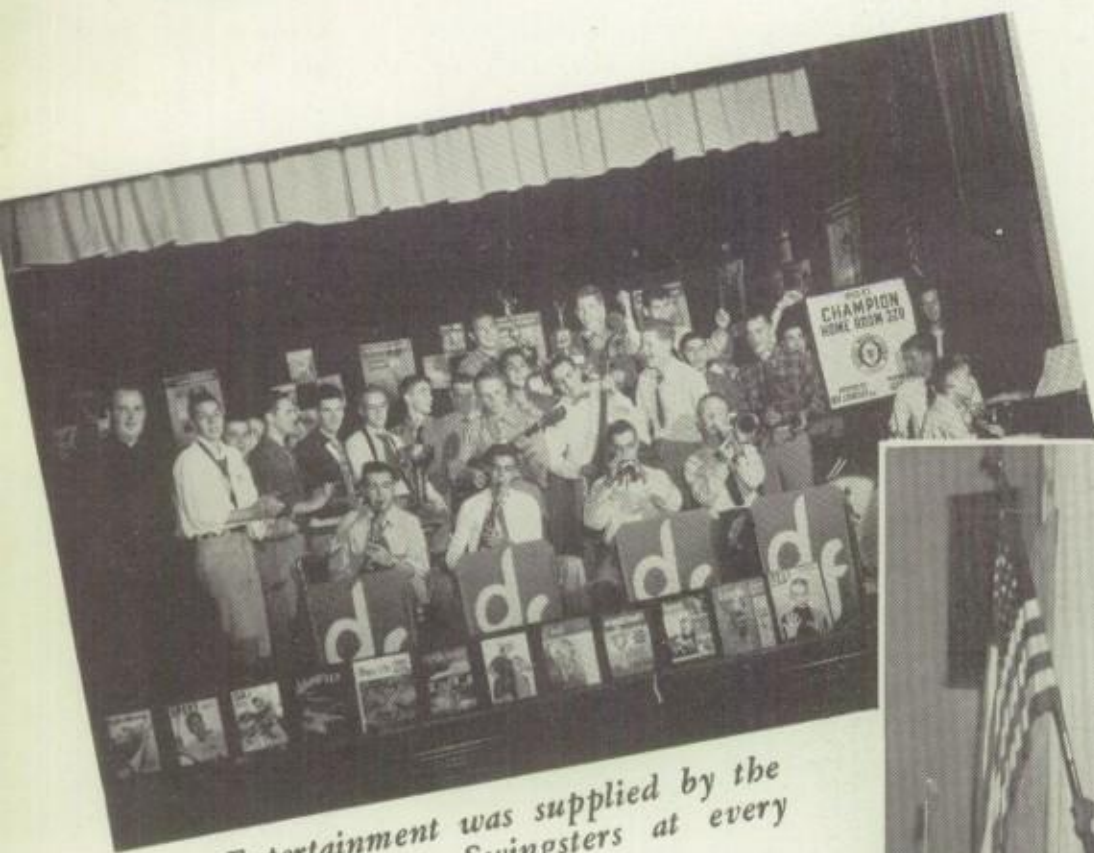

MAGAZINE DRIVE

It was another tremendous victory for the Aquinas student body. The success achieved in the annual Magazine Drive has added another gem to the already sparkling crown of Aquinas victories. This year's drive was a testimonial to the school spirit active in Aquinas life.

The keen competition between the homerooms proved an exciting incentive that spurred the whole school to success. When the dust had subsided and the returns were counted, Aquinas remained the World Champion in the field of magazine salesmanship, with a gigantic total of over \$85,000.00. This great success was in no small way achieved by the spirited work of the first three homerooms. Fr. O'Reilly's 320, Fr. Wilson's 316 and Fr. Lococo's 323.

Yet the success of the drive was a tribute to the loyalty of all the students.

As in all undertakings requiring work, there are many hands working behind the scenes which seemingly go unnoticed. Yet, Aquinas has not let the work of Fr. Looby and The Mothers' Club go unapplauded, for we have all realized that their work contributed much to our success. Let us not forget the Curtis Circulation Co., whose plan assisted considerably.

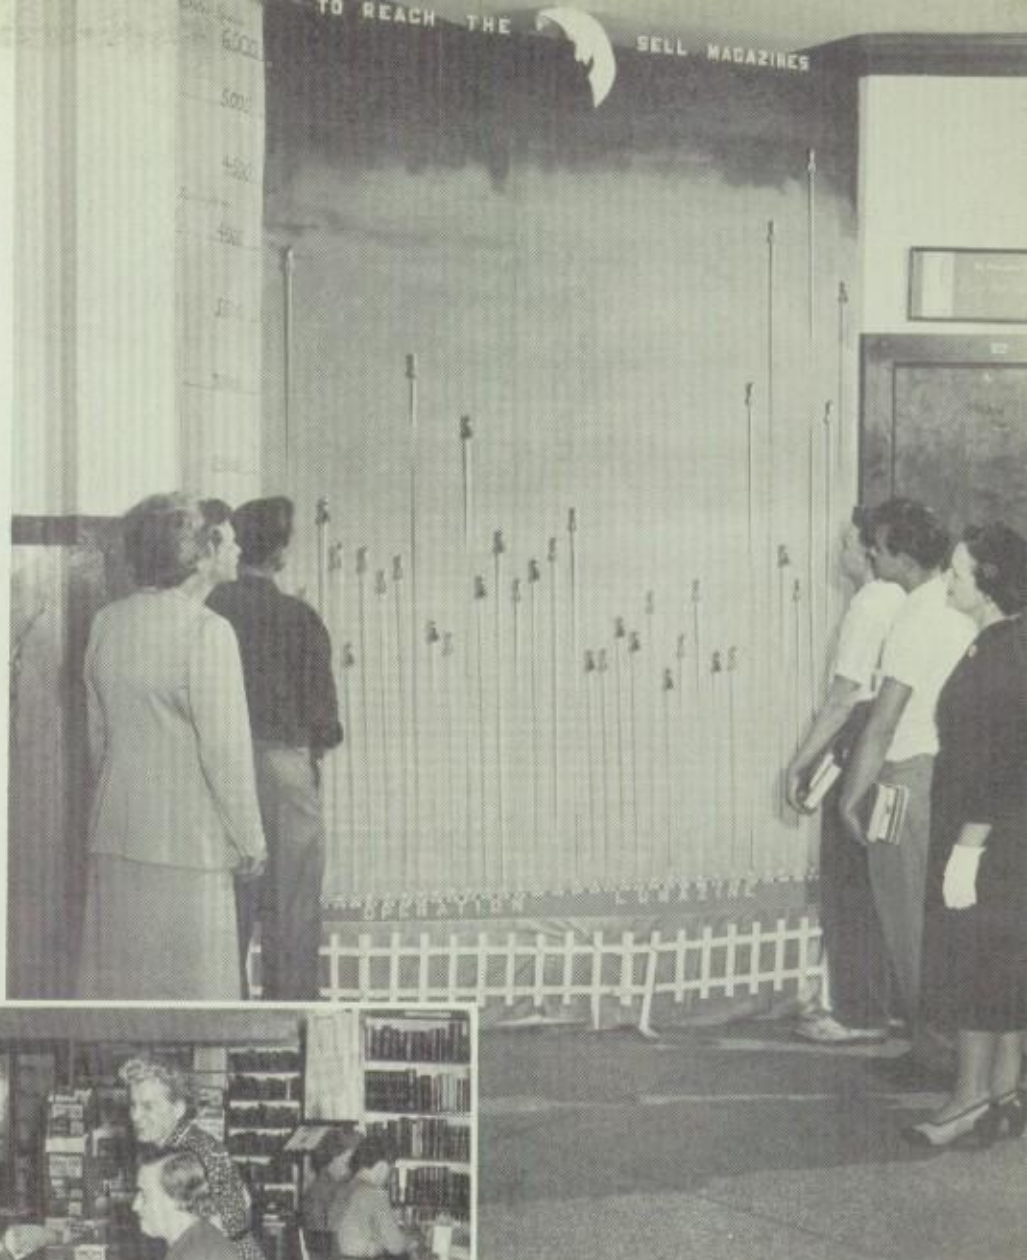

Entertainment was supplied by the M. and W. Swingsters at every assembly.

A solemn moment at one of the assemblies.

Fr. Biondi urges on the Juniors to greater cooperation.

Interest in the standings was shown by Mothers and students as the drive drew to a close.

We should mention here that the Magazine Drive has contributed funds to many improvements which otherwise could not have been made. Some of these improvements are the new floor in the Library, the sound proofing on the first and third floors, the asphalt parking lot, the painting of all the woodwork on the outside of the school, and the painting of the first floor corridor.

The school is greatly indebted to everyone who made all this possible.
